

POLYMER TECHNOLOGY CENTER

Polymer Technology Industrial Consortium (PTIC) Student Poster Session

April 19-20, 2012

| | Students Name | DEPT | Poster Titled |
|-----------|--------------------------|-------------|---|
| 1st place | Sandani Sama- rajeewa | CHEM | "Development of degradable shell crosslinked nanoparticles for the delivery of nucleic acids" |
| 2nd place | Mohammad Hossain | MEEN | "Effect of Asymmetric Constitutive Behavior on Scratch-induced Deformation in Polymers" |
| 3rd place | Cassie Hilliard | CHEM | "Polymer-Coated and Modified Silica: A Solid-State NMR Study" |
